# National Archives of Japan

## Two digital projects:

## Japan Center for Asian Historical Records (JACAR)

---

- Started in 2001 as a precursor to the National Archive of Japan Digital Archive .
- Provides digital images of government records in modern Japanese history from 1880's to 1945.
- Provides about 1,000,000 searchable records and about 15 millions of digital images on the Internet (as of 2008/3).
- System renewed on October 2006 sharing technologies developed for and adopted by the National Archive Digital Archive .

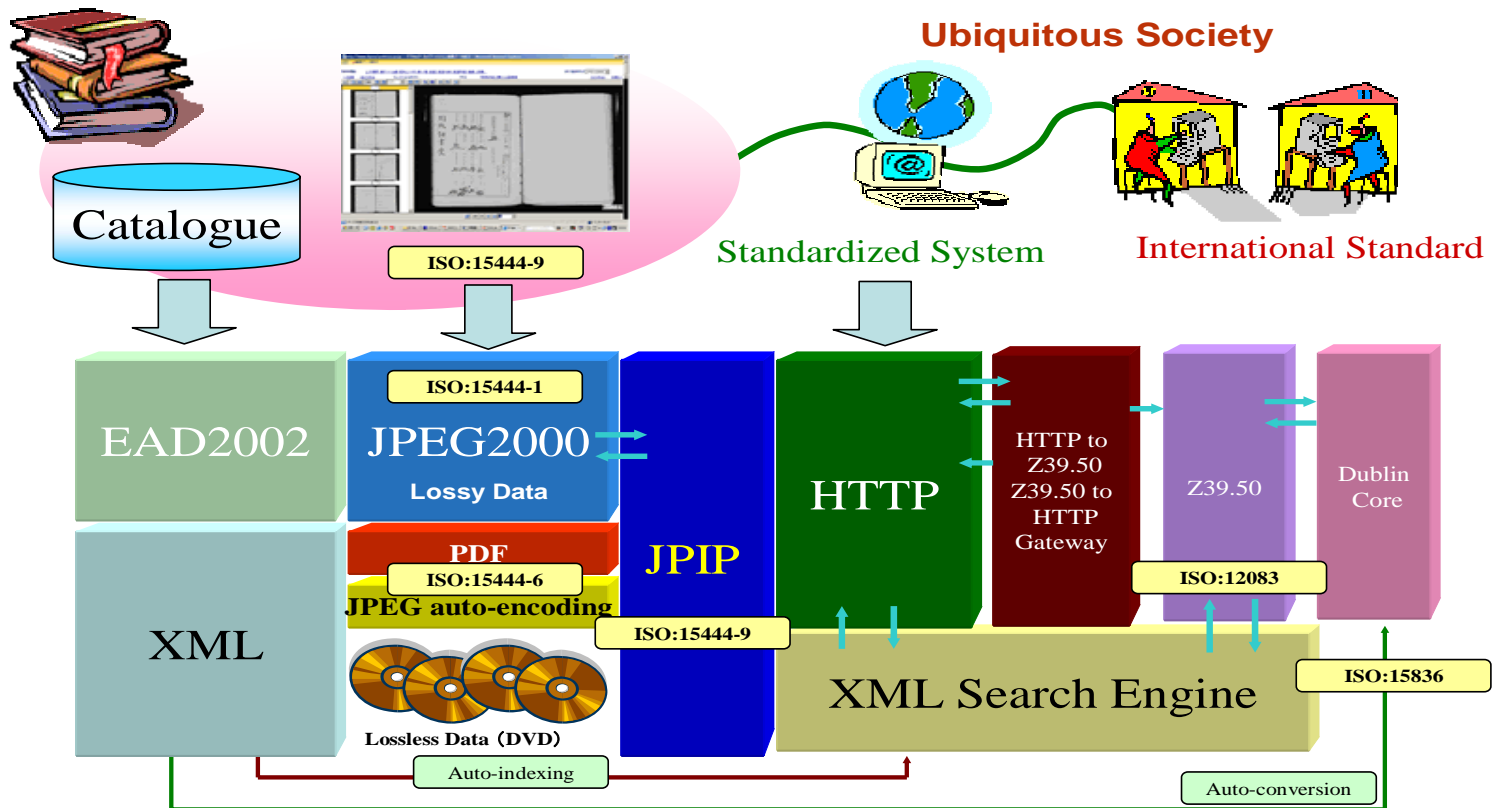

## National Archives of Japan Digital Archive (DA)

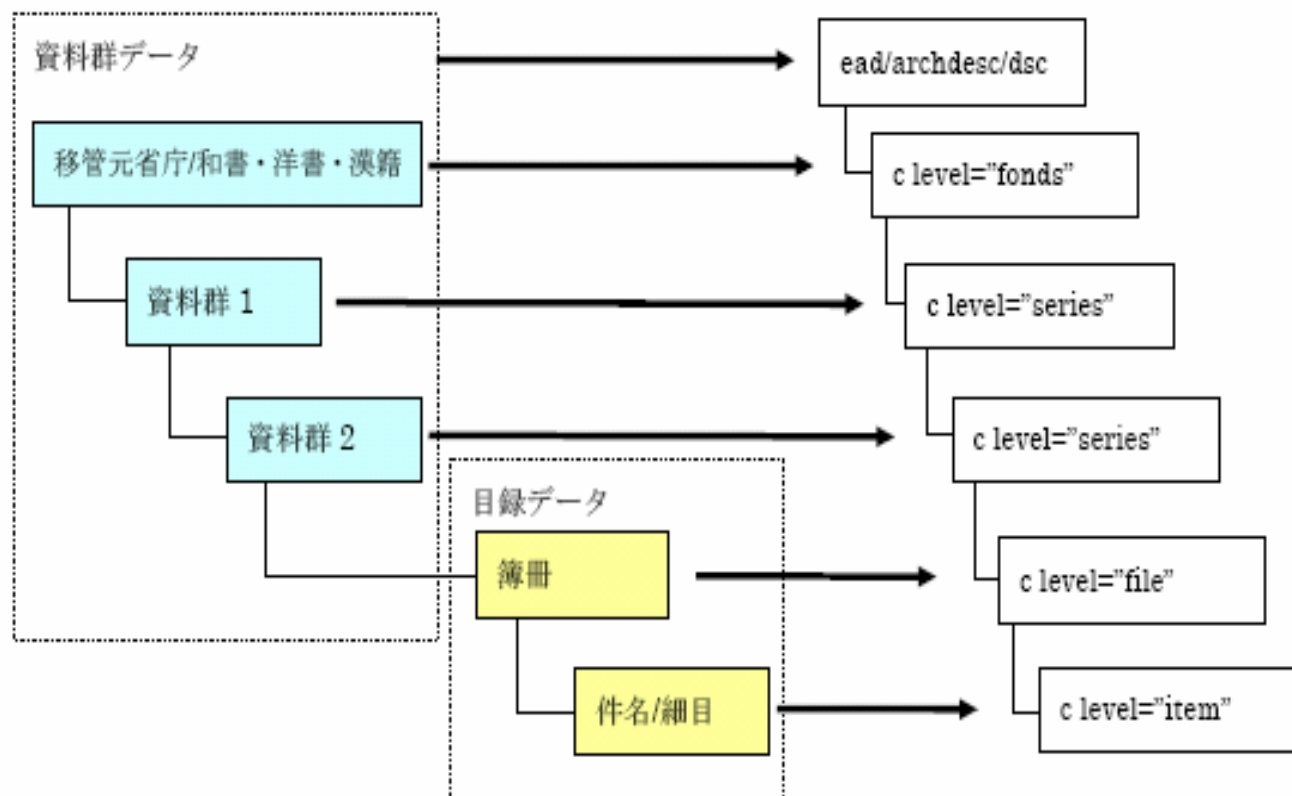

---

- Started its Internet service in April 2005
- Consisted from two services
  - Digital Archive System(DAS)
    - provides catalog search service of more than 2.6 million records with 3 million digital images of government records and other historical materials such as 430 thousands records from former Cabinet Library Materials
  - Digital Gallery
    - provides 531 items (710images) of Important Cultural Properties, large-sized materials, colorful scrolls, and posters that are difficult to have access to original ones. The Gallery provides search by region, category or A-Z.

# Key Concepts of designing Digital Projects

# Hierarchical Structure of Encoded Archival Description 2002

# Hierarchical Structure on the web page

The screenshot displays the JACAR website interface. On the left, a hierarchical menu lists various categories such as "A Politics, diplomacy/Category 1 Imperial History", "Section 0 General", "Section 1 China", "Section 2 Manchukuo", and "Various foreign countries". The right side shows search results for "1-20 of 46" items, sorted by "Not Specified". The table below details the search results:

Search Target	No.	Summary
<input type="checkbox"/>	1	<b>File</b> <a href="#">Compilation of miscellaneous documents relating to Japan-Thai diplomacy</a> [Reference Code] B02030713500
<input type="checkbox"/>	2	<b>File</b> <a href="#">Compilation of miscellaneous documents on Japan-Poland diplomatic relations</a> [Reference Code] B02030713700
<input type="checkbox"/>	3	<b>File</b> <a href="#">Compilation of miscellaneous documents relating to diplomatic relations between Japan and United States / Negotiations concerning peace in the Pacific and problem of East Asia (including message of Prime Minister Konoe), Vol. 1</a> [Reference Code] B02030713900
<input type="checkbox"/>	4	<b>File</b> <a href="#">Compilation of miscellaneous documents relating to diplomatic relations between Japan and United States / Negotiations concerning peace in the Pacific and problem of East Asia (including message of Prime Minister Konoe), Vol. 2</a> [Reference Code] B02030715800
<input type="checkbox"/>	5	<b>File</b> <a href="#">Compilation of miscellaneous documents relating to diplomatic relations between Japan and United States / Negotiations concerning peace in the Pacific and problem of East Asia (including message of Prime Minister Konoe), Vol. 3</a> [Reference Code] B02030717700
<input type="checkbox"/>	6	<b>File</b> <a href="#">Compilation of miscellaneous documents relating to diplomatic relations between Japan and United States / Negotiations concerning peace in the Pacific and problem of East Asia (including message of Prime Minister Konoe), Vol. 4</a>

At the bottom of the page, it states "All rights reserved/Copyright(c) Japan Center for Asian Historical Records". The browser's taskbar at the bottom shows the system tray with the time 20:18 and the active window "Japan Center f...".

Sakuramachiden Gyokozu, 1

ページ(P) ツール(O)

The painting depicts a palanquin (gyokozu) with a red roof and green curtains, pulled by a horse. Several attendants in white robes are walking around the palanquin, some carrying poles and others holding bows. The scene is set against a plain, light-colored background.

**Welcome to a Treasure House of Historical Documents and Records.**

The National Archives of Japan preserves government documents and records of importance as historical materials received by the Prime Minister from various government ministries and agencies, and makes them available to the public with the aim of achieving appropriate preservation and use of such government documents and records that are in the custody of the National Archives or government organs.

This website illustrates what we do and how to use our holdings. You can search for descriptions of our holdings online.
